

Hospitality Industry

Image is everything in the hospitality business. You only get one shot at imparting a positive first impression with your guests. Guarding your brand and reputation are essential. The professionals at **Alliance Environmental Group**, an F.W. Webb Co., understand your unique customer service position and the impact environmental and sustainability issues can have on repeat business, word of mouth, and public image.

Our associates are highly trained scientists and engineers who can handle your regulatory requirements, permitting, remediation, and other pressing and sensitive environmental needs.

Hospitality Services:

- Energy audits / recommendations
- LEED (Leadership in Energy and Environmental Design) certification program
- Mold testing and abatement
- Indoor air testing and quality improvement
- Land-use planning
- Offsetting negative aesthetic and ecological impacts (e.g., algal blooms)
- Hazardous materials management
- Asbestos, lead paint, and polychlorinated biphenyls (PCBs) surveys and remediation
- Health and safety training and auditing
- Facility compliance auditing and regulatory reporting
- Food hygiene training / Laboratory testing services to manage food-poisoning risk

Alliance Environmental Group provides a wide range of environmental testing, remediation, and consultative services. Engineering and scientific experts from Alliance work closely with federal, municipal, institutional, industrial, and commercial customers. Our comprehensive list of professional services covers all your environmental needs, including site assessments; hazardous materials management; regulatory compliance, permitting, and auditing; and much more. Helping clients since 2001, Alliance Environmental Group joined the F.W. Webb Company in 2016. We are committed to addressing your needs cost-effectively and efficiently.
